MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Proposed Notice [REDACTED] "Employee Services, STATINTL  
Program of Christmas Music"

1. The attached proposed Notice was presented to Colonel White this morning for signature, but he indicated that he did not intend to sign it because he could not see how we could issue an official statement wherein we authorized supervisors to excuse employees from their work to attend an informal program of this sort.

2. It was his feeling that because of the Executive Order signed by the President yesterday, authorizing a total of 12 hours gratis leave during the Christmas season, to grant an extra hour on our own initiative in this manner would be inappropriate. He did suggest that the Office of Personnel might wish to explore other means of bringing this concert to the attention of employees in and around the area of the R & S Building, with the understanding that should they go, they would do so on their normal lunch hour.
